Day Spring 2012 Family Appeal

By Michael Erskine, Community Advancement Director

In May, we kicked off our 2012 Family Appeal. This appeal is made of all relatives of the 46 current Day Spring residents.

Since Day Spring opened in 1994, families in this community have given generously of their time, their talent, and their treasure. This past fiscal year, we asked families to help us raise \$253,000 for Day Spring, and they did!

This year, we are asking families to help us raise \$263,000. We know that this is a great deal of money, but we also know that without the public support we receive, we could not remain in operation.

As of August 14th, we have received gifts and pledges to the Family Appeal totaling \$215,525, so we still need \$47,475 to reach our goal.

If you have not yet made your gift, please do so today. To help you may:

- visit our web site at DaySpringKy.org to make an online donation
- mail your check to 3430 Day Spring Court, Louisville, Kentucky, 40213
- make other payment arrangements, by calling us at 502-636-5990, or via e-mail at Info@DaySpringKy.org

Please continue to empower the future of our community!

Focused on Staying Healthy

Kim Hendrickson with Meredith Preston ready to prepare a salad for lunch.

By Meredith Preston, Direct Support Professional

Day Spring Homes is staying healthy! We enjoy walking around the loop on campus on nice days and exercising with walking videos inside during yucky weather. It's much more fun with a group, and safer too.

We also try to eat healthy. A few salad tips we have learned include measuring out portions. Instead of making a large salad we make an individual salad for

each person and read the packages and use the measuring cup to make sure we only eat one serving. Did you know that spinach is full of vitamins and an even healthier option than lettuce? Instead of croutons we often use nuts such as pecans, walnuts, or sunflower seeds. Adding fruit like apples, strawberries, and grapes makes salad more fun, healthy, and filling. Don't forget to take it easy on the dressing. Reading the label and using a measuring spoon really helps rather than guessing and squirting it all over the salad. We hope you enjoy these tips and we look forward to seeing more people join us on our walks and participate in making healthy choices.

"My favorite kind of salad is a chicken salad with grapes, pecans, celery. It's very excellent. I also like to put dried cranberries, and strawberries in my spinach salads. Vinegrette dressings are healthy and I know they are better for me," said Mary Ann Lewis.

Over \$4,000 Was Raised!

Thank you to the many volunteers who helped make this year's Yard Sale such a success!

Especially **Butch and Jane Seger** who tirelessly coordinated this event for the fourth year in a row. The Yard Sale took place on July 21st at St. Gabriel's Church Gym in Fern Creek. More than \$4,000 was raised to benefit Day Spring.

Thank You!

12th Annual Concrete Ball Off To the Races!

By Beth Barrett, Concrete Ball Event Chair

On May 19th The Concrete Ball celebrated it's 12th annual event. It's so awe inspiring to step back and witness the steadfast loyalty of so many people to Day Spring through the Ball. The sponsors that continue to be there because they completely believe in this mission of Day Spring; the ever growing volunteers that so unselfishly give of their time and talents; and last but certainly not least, the many new supporters that joined us this year.

The Ball was very well attended this year on Preakness Day and yes sir, The Concrete Ball was "Off to the Races"! It was fun seeing everyone in their Derby finery and we had a blast with the hat and best dressed man contest! **Camille Koepper** from the Women's Home and

Will Harrod were the crowd favorites that won. Our lucky raffle winner, **Dee Kroger**, was stunned when we called her live to announce that she was \$15,000 richer. As a new twist, **Murray McCandless**, a professional fundraising auctioneer joined us to lead unbelievable excitement in the live auctions and the traditional Build the Foundation Challenge. The energy was high, there was lots of dancing and all in all, everyone had a great time.

I am very happy to announce that our bottom line was higher than it has been for five years! The success of the Ball never ceases to amaze me in so many ways. So thank you, to all who supported us. Stay tuned for the 2013 Concrete Ball on May 18. Mark your calendar NOW!!

The Community Says Farewell

by Jenn Pratt Harrison

When you think of Day Spring, one person definitely comes to mind. **Sister Debbie's** commitment to our community has been unwavering.

This month, we sadly bid farewell to our leader as she moves to Belmont, NC to take a leadership position with the Sisters of Mercy. As the Executive Director, Sister Debbie has made a tremendous impact on the success of Day Spring since she joined us 18 years ago at the request of Dr. Jack Ford and the founding families. Her dedication and selflessness have been the cornerstone of our success.

On August 13, an open house was held to honor Sister Debbie at the Mellwood Arts Center. It was an emotional ceremony with great food and friends who gathered to reminisce and pay tribute. She was presented with gifts including a handmade Tiffany-style keepsake box filled with notes from Day Spring community members and a quilt created with different pieces sewn by Day Spring residents, board, family and staff.

The night wasn't all tears and sadness. While we are all sad to see Sister Debbie go, we also expressed support and had a little fun with a slideshow of photos featuring Sister Debbie over the years and a photo booth with a "nun on the run" theme. She left the celebration with a set of scrapbook photos from the booth as a keepsake.

We would like to thank everyone that helped make this send-off special for Sister Debbie. She asked that all gifts be made in the form of a donation to the Day Spring Endowment fund. In addition, a search committee has been working to assist us in finding someone to take on the role of executive director.

Thank you Sister Debbie for 18 amazing years of service to Day Spring. You will be missed!

Sr. Debbie has requested that all farewell gifts made to the Day Spring Horizons of Hope Endowment Fund.

Day Spring Illinois Avenue groundbreaking ceremony for the Men and Women's Homes, April, 1994.

Amy Barnes - 12 Years of Service

by Sr. Debbie Kern, RSM

Amy Orthober Barnes joined the Day Spring community in March of 2000, one of the blessings of the new millennium! She began working in the women's house on Illinois Avenue as a part-time, Direct Support Professional (then called Assistant Resident Manager).

Amy came to Day Spring planning to work for a short time in order to gain experience before going to graduate school. Notes from her interview in 2000 state: 'she talked to the residents directly, answered their question and seemed to really enjoy them.' That interview was the beginning of 12+ years of exceptional commitment and service to the Day Spring Community as Direct Support Professional, Program Manager and, currently, Clinical Director.

Amy is impressive in her wisdom, professionalism and competence. With an undergraduate degree in Psychology from Bellarmine University and a Master of Art Degree

in Expressive Therapy from the University of Louisville, Amy has the tools and credentials to do many great things and she offers all of her gifts to us! Her professional posture is formed by relationships with people and those relationships guide all of her judgements and interventions. Most remarkable, however, when observing Amy, is her ever open and tender heart. She listens and speaks the language of the heart which is such a gift to those who struggle to understand and be understood. One co-worker shared her feeling that, 'Amy cares about all of us in the community.'

In addition to sharing her love and life with the Day Spring community she also shares the love of her life, her family. We know them and they know us and we are all connected through and blessed by Amy who generously shares her heart with the Day Spring community.

Maddie and Amy Barnes spent time with Sr. Rita Valade and her dog Gracie at the 2012 Day Spring Community Summer Picnic.

Day Spring Welcomes Bruce Spear

by Ellen Sewell, Social Services Manager

This month the men's house welcomed their newest housemate, **Bruce Spear**. Bruce has lived in Louisville his entire life and is very excited to join the Day Spring community. Bruce describes himself as being very independent and outgoing. He says that one of his best qualities is that he always has a smile on his face. Bruce is also a big sports fan, and especially likes to cheer for University of Louisville teams.

At his former job at Kentucky Kingdom, Bruce's coworkers called him the "park motivator" because he always showed up with a positive attitude and ready to work. We know that Bruce will share that same positive attitude with the Day Spring community.

Welcome home, Bruce!
