

# HORIZON HAPPENINGS

Highlights from the Day.

May 2024

These lovely gals, with their homemade derby hats, are hoping you all had a wonderful derby day and a joyous springtime!

## Horizon of Hope Gala

A night to remember!

Our 30th anniversary Horizon of Hope Gala was a resounding success and an unforgettable celebration. **We are thrilled to announce that we raised over \$100,000!** From the bottom of our hearts, we thank everyone who attended and supported us. Your generosity and support mean the world to us, and we are truly humbled by the kindness of our community.

Thank you for being a part of our 30th anniversary. Your contributions are lighting the way for another incredible decade of service. We look forward to growing together and making an even greater impact.

Here's to the next chapter of hope and possibility!

Check us out on [Facebook](#) to see additional photos from the gala.

We extend a special thank you to [E-Rides](#), located in the Highlands, for their donation of an electric bike. During the Gala, we surprised our guests with a chance to win an e-bike if they pledged to support Day Spring. We're thrilled to announce that we raised over \$3,000 from the bike!

Congratulations to our lucky winner, Julie! Enjoy your new ride!

Thank you, E-Rides, for your kindness and support. Your donation made a significant impact and helped us further our mission.

A Heartfelt Thank You to [Legacy Home & Estate Services!](#)

We are incredibly grateful to Legacy for donating their services to create our online auction. Their team often went above and beyond, offering invaluable insight and encouragement throughout the process. They have truly been instrumental partners in planning our gala, and we couldn't have done it without their exceptional support!

## CAMPUS IN COLOR

This spring we introduced the Campus in Color competition, challenging each of our houses to find ways to improve the outside appearance of the home whether it be through landscaping, plants, furniture, art etc.

So, DRUMROLL PLEASE! Our winners are the ladies at women's house!! The staff and residents' partnership and involvement throughout this whole competition has been so rewarding to see. Women's house raised money through creating their own flyers, made sure the whole process was person-centered, and had the perfect amount of competitive edge. They did an amazing job at being a team and the house has never looked better!

## TRANSFORM

Thank you to Jon and Crystal at [Transform Consulting](#) for joining us on campus this week for our 10th staff development session! They are helping us create a positive work culture and keep staff 100% engaged.

The workshops and activities were designed to not only enhance our professional skills but also to inspire and support our personal journeys. From team-building exercises to mindfulness sessions, we learned, laughed, and grew together.

## Highlighted Resident of the Month

### Robbie & Robyn

Let's meet Robyn and Robbie (pictured). Robbie came to Dayspring about 9 years ago and moved into our men's house. It wasn't a great fit, but he did love being a part of our community and finding friends. He transitioned into our Family Home Provider program and moved in with the Franco's where he quickly became an immediate part of their family.

The Franco's helped Robbie reach almost every dream he's ever had, from seeing the mountains for the first time in Gatlinburg, to getting a job at UPS, to building him his own "man cave" he can relax in every day. Robbie still has all of his friends at Dayspring and throughout the community and tends to make a friend almost everywhere he goes!

The Family Home Provider program is filled with kind people who have opened their homes to adults with IDD. The program offers a setting for people with disabilities to meet their unique needs while allowing

as much independence as possible. Providers assist with daily living, medical needs, and transportation to appointments and outings in the community while providing moral support, advice, and encouraging self-advocacy.

The FHP program is a wonderful opportunity to make a difference at Day Spring. We are always seeking more providers to help meet the needs of individuals looking for a place to call home. **If you or someone you know is interested in joining the FHP program, email us at [info@dayspringky.org](mailto:info@dayspringky.org).**
