

HORIZON HAPPENINGS

Highlights from the Day.

February 2024

February, the month of love, has been brimming with lots of joy from our residents! Reflecting on the warmth and support we've received, we extend our appreciation to those who have shown their love for Day Spring over the past month. Looking ahead, we are excited to announce fresh opportunities for everyone to continue showering Day Spring with love. Thank you for your continued commitment to the mission of Day Spring!

MONTHLY GIVING

[Thank You Friends of Hope!](#)

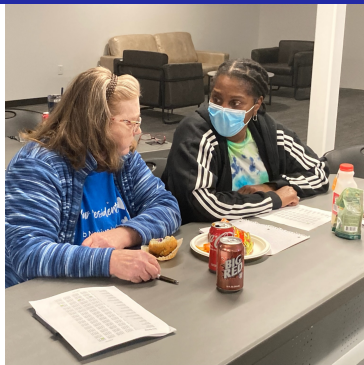

This month we launched a monthly giving campaign challenging people to show love to Day Spring by committing to monthly giving. By becoming a [Friend of Hope](#), you provide a reliable source of funding that empowers us to plan ahead, respond to emerging needs, and sustain vital programs. The campaign might be over but it's never too late to sign up to give a monthly gift of any amount. Just click the image above to give!

College for Living Volunteers

Caring for the community is a very important part of being an independent, contributing member of society. This week students volunteered at Ronald McDonald House Charities preparing casseroles for the families that stay there. We're very proud of them for exercising their cooking skills while also taking the time to help others! We're so proud of our friends at College for Living.

SOFT OPENING OF OUR LEARNING CENTER!

We are overjoyed to announce that this month we hosted our first event in our new Day Spring Learning Center located in the basement of College for Living!

Jon and Crystal from **Transform** were the guests of honor for our first event, staff development, in the space. They guided staff through discussions about communication and personality differences in the work place, leadership and delegation, and how to promote unity among employees. As always, they made sure to include lots of intentional fun!

SECURE A SPOT ON OUR DONOR WALL

We are excited to host training sessions, yet there are some **crucial finishing touches required** to perfect our training center. These include elements like classroom appliances, an accessible parking lot, and the necessary building materials. The completion of our training center is vital for Day Spring, as it enables us to extend our space to more community members.

Contribute to our continued success by joining other individuals and foundations who have invested in this capital improvement. We invite generous individuals to contribute \$1,000 or more towards the finalization of our training center. Donors at this level will have an everlasting recognition on our **donor appreciation wall**. Your support makes a meaningful impact, and you can click [HERE](#) to make a donation today.

A special thanks is extended to the **Gheens Foundation, R.A. Consultants, and Kentucky Colonels** for their generous donations.

LUNCH & LEARN

This month we enjoyed another successful lunch & learn where we had the pleasure of hosting people from the community wanting to gain knowledge about Day Spring. If you or anyone you know might be interested in learning all about Day Spring lunch & learn is a quick, low pressure way to do so.

Mark your calendar for **Wednesday, March 20th**, our next lunch & learn, from **12:00-1:00 p.m.** and spend your lunch hour learning about our programs. RSVP to info@dayspringky.org
