

Christmas in July

We celebrated Christmas in July this month! Each day for a week, different departments of our office made special deliveries to the houses, bringing treats like cookies, brownies, and hot chocolate, along with some arts & crafts activities. We also surprised our staff with a special appreciation gift!

THANKS TO...

Thank you to [Advance Ready Mix Concrete](#) for the generous donation of a new concrete sidewalk at our Women's House. We provide 24/7 support to eight ladies in our Women's Group Home, with a focus on creating a household of unconditional love, dignity, and a person-centered lifestyle. Safety is a top priority, and the increase in aging and mobility challenges of our residents necessitated the addition of a third accessible entrance

ramp on the west side of the home. This will help us maintain exceptional safety standards and continue enhancing daily life through our residential programming. Thank you, Advance Ready Mix, for your incredible support!

This month, Day Spring has received a the \$16,000 MSD Community Benefits Grant, thanks to the support of RA Consultants. These funds will allow us to purchase a new van for our vehicle fleet, enhancing our capacity to provide reliable and safe transport, so our residents can access the community and essential services with greater ease. Thank you to RA Consultants and the MSD Community Benefits Program for making this possible!

Day Spring has been awarded a generous \$52,000 Samtec Cares Grant for Agency IT Infrastructure Improvements. Samtec is dedicated to being a good corporate citizen, focusing on Technology and Innovation as well as Strategic Community Development. With this grant, we will be able to enhance our cybersecurity measures and improve the quality of devices used across our organization, ensuring a safer and more efficient environment for all.

HIGHLIGHTED RESIDENT OF THE MONTH

Mary Ann

Meet Mary Ann! She is a proud Kentucky native and Day Spring resident of nearly 30 years, has been a passionate advocate for the rights of people with disabilities. She demonstrated her commitment by attending the State Capitol Annex for the 874K Disabilities Coalition Rally, where she actively lobbied for disability rights.

Beyond her advocacy, Mary Ann has generously volunteered her time at the humane society and Louisville Metro Animal House. Her favorite part? Spending time with the dogs, especially Alaskan Huskies and pugs!

When she's not volunteering, Mary Ann enjoys watching wrestling, with her favorite wrestler being Ryan Howe. She also has a love for music, particularly rock and roll and some country. Her favorite band is the iconic KISS!

When asked what she would like people to know about her, Mary Ann proudly shared that she is a "smart and intelligent woman."
