

HORIZON HAPPENINGS

AUGUST 2024

The Day Spring Fair

We've been celebrating our 30th anniversary all year, and while our gala served as a fundraiser in honor of this milestone, limited space and financial constraints meant we couldn't open the event to as many as we would have liked. So we hosted the Day Spring Carnival, where residents, staff, and their families could come together to celebrate! With a dunk tank, petting zoo, cake wheel, face painting, and a variety of carnival games, it was the perfect way to commemorate three decades of community and care!

Welcoming Casey!

New school year means new students! We are thrilled to extend a warm welcome to our new residential student at [The College for Living](#), Casey! She has been a part of the commuter program for the past six months, sharpening her life skills in preparation for her journey to independence. We are so happy that she is now living on Day Spring's campus, and can't wait to see all the things she'll accomplish during her time at The College for Living. Welcome to the Day Spring family Casey!

Transform

Jon and Crystal at [Transform](#) made us all feel like winners with our very own Day Spring Olympics where we learned the value of working together as a unified team! We love our quarterly staff development, as it teaches us to be better both individually and as a team, not to mention it tends to be tons of fun!

Tee It Up Donation Event

On Saturday, August 24th, Day Spring partnered with Tee It Up, a local, family-owned golf simulator, for a special event. Tee It Up generously donated 100% of all bay rentals to support our mission. We're fortunate to have such a community-focused partner that shares our commitment to making a difference.

HIGHLIGHTED RESIDENT OF THE MONTH

John

Meet John! He is a long-time resident at our Baxter home, having lived with us for over 15 years. His passion for horse racing is unmatched—John can tell you all kinds of facts and statistics about different horse races, and he even volunteers at the Derby Museum! At home, you might catch him calling races like a pro, a dream he would love to make a reality someday.

When he's not focused on racing, John is getting his steps in, walking around Day Spring. Though he often keeps to himself,

he shares a close bond with his sister. John is always dressed like a true gentleman, usually sporting a pair of his signature suspenders. We're proud to have John as part of our Day Spring family!
