Highlights from the Day.

March 2024

This month as we celebrated St. Patrick's Day we reflected on how lucky we are to have so many incredible people by our side championing the mission of Day Spring. Wishing everyone lots of luck as we head into springtime!

Resident Glamour Shots

This month we partnered with Karen Wimsett Collins at [Redemption Solar & Roofing](#) to capture high quality headshots of our LOVED residents. Thank you Karen and all of the wonderful staff for helping make this experience come together so smoothly. These pictures do an incredible job of capturing each residents unique personality! See just a few of the amazing shots below.

Highlighted Resident of the Month

Billy

Meet Billy! He is a resident at Men's house and has a special knack for making Day Spring look beautiful. His most outstanding passion is decorating, especially during the holidays. This year he treated his housemates with the purchase an 8-foot Christmas tree that truly lit up their home! When Billy isn't decorating indoors, he loves planting flowers and gardening, and is eager to help out with any landscaping projects around campus.

Not only does Billy have a knack for making our

surroundings festive, but he's also a whiz in the kitchen. His specialty is banana nut bread! But Billy's kindness doesn't stop there! He's always ready to lend a helping hand, and especially likes helping staff with grocery shopping. House manager LaTashia said of Billy, "He is such a caring person, always willing to help out."
