HIGHLIGHTED RESIDENT OF THE MONTH

Matt

Meet Matt! He has been a student at our College for Living program for almost 3 years, and he's made quite the impression with his love for music, sports, and pop culture! As our resident DJ, Matt curates playlists filled with 80s classics, including hits from Olivia Newton John and Kenny Rogers, who he's proud to have seen in concert.

Matt's interests extend far beyond music. He's also a dedicated sports fan, always up to date on the latest team

changes, trades, and division updates. One of his prized possessions is a signed letter from none other than Michael Jordan!

When Matt's not diving into sports or music, he's likely enjoying a movie marathon. His love for pop culture is unmatched—he can recall facts about his favorite movies and celebrities with incredible accuracy, making him the ultimate trivia partner. Whether he's watching comedies, scary movies, or re-runs of *Fear Factor*, Matt is always up to date on the newest movies and TV shows.

In addition to his hobbies, Matt has been a loyal employee at Kayrouz Cafe, a local, family-owned restaurant, where he's worked for an incredible 17 years. His punctuality and dedication to his job make him a standout in the

workplace. His time at College for Living has also turned him into quite the cook! Matt is always excited to compete in our Kitchen Masters cooking challenges and often comes out on top.

Matt is a natural extrovert, always ready for a chat or to hang out with staff and neighbors. His friendly, loyal, and thoughtful nature makes him a special part of our community.
